

# Commercial

Our commercial division acts in partnership with our business clients providing timely and pragmatic advice on all aspects of commercial law. We have specialist expertise in commercial contracts, terms and conditions, shareholder agreements, restructuring, joint ventures, FSA and other industry regulation, competition law, employee benefits and employment law, telecommunications and IT agreements, data protection, intellectual property and commercial dispute resolution.

Our clients include a wide range of public and private companies, partnerships and public sector organisations, with whom we work closely to build lasting relationships. Ensuring that we have a detailed understanding of clients' current and future business needs enables us to provide a tailored service and value for money.

## Clients include

- EDF Energy (South East) plc
- The Royal Bank of Scotland
- South East Water Ltd
- Eden Park Ltd

## Recent experience

- advising EDF Energy on a complex project for the redevelopment of their National Grid transformer substation at Kingston upon Thames which provides power to 80,000 homes and businesses across South West London
- advising a regional utility company in relation to IT outsourcing contracts
- advising on a business start-up proposing an innovative financial betting product requiring authorisation by the FSA
- advising a major independent retail pharmacy group on a range of commercial issues including contracts, employment and finance
- advising a major utility company on industry regulatory issues and competition law
- advising a major supplier of computer hardware on its restructuring and subsequent refinancing
- advising a leading French company on a contract with Harrods
